

Community Support

"We are one body. The success or failure, joy or sorrow of the other members of the Church truly affects every other believer. If the body is to be healthy, we must demand authentic discipleship of ourselves and of those who seek sacraments of faith, for our own sake and theirs."

-Father James Mallon

During the first two weekends in October, one being the weekend of the Rite of Calling (October 12th and 13th) all the Confirmation students' names will be put into a basket and passed around the church for each parishioner to choose a name and spiritually adopt that candidate in prayer during their time of preparation for Confirmation.

Autobiography and Picture

Autobiography and picture are due to the Faith Formation Office by April 10th, 2019

We would also like the community to get to know the candidates for confirmation by providing a short autobiography written by the students and a picture of them that will be featured in the bulletin for the community to get to know each of our candidates.

We will also be making a display of the candidates at each Parish so our Faith Community can be reminded to keep these students in their thoughts and prayers.

We are asking for the autobiography to be 4 or 5 sentences in length. Please type it out, proof it, and then email the autobiography and picture to the Faith Formation office (assumptionre@meltel.net). If it isn't possible to email it, you are more than welcome to turn it in during class on April 10th.

For this Autobiography, here are a few needs and options to include in it.

You need to include:

- Your name, parents' names, and the parish where you are a member.

Other ideas you can choose to include:

- Things you like to do in your free time
- Sports/Hobbies/Activities that you are involved in or enjoy doing
- Why your faith is important to you
- Favorite subjects in school
- Places you have traveled
- Chosen Saint name and why you chose it
